West Two Rivers Campground Guidelines

Welcome to City of Mountain Iron West Two Rivers Campground! To make your stay more enjoyable please observe the following:

1. All campers must register with the Caretaker upon their arrival and before choosing a campsite. Camping is allowed only in designated camping areas with two (2) tents or one RV and one (1) tent per campsite. Reserved sites will not be held later than 4:00 PM without a deposit. Check in time is 1:00 PM. Check out time is 11:00 AM. If you need more time, see the Manager. Pavilion rental time is from 8:00 AM to 10:00 PM.
2. Quiet time in the park is 10:00 PM to 8:00 AM. "Quiet" means turning radios down or completely off, reducing outdoor conversations to conversation tones, receiving no visitors from outside the park during quiet time and operating vehicles in a quiet and respectful manner.
3. Cancellation/Refund Policy fee will be a "one night" fee charge. Cancellation must be made 10 days prior to the arrival date. Refunds minus the cancellation fee will be made by a city issued check.
4. Please park your vehicle on your site or in the designated parking areas only, do not block the roadways or park on the grass. Only two (2) cars per site are allowed.
5. For safety purposes, no glass beverage containers are allowed in the park area. If you unknowingly brought them, please keep them in your camper, tent or vehicle.
6. Consumption of alcoholic beverages by the campsite user(s) and his/her guests is limited to their campsite(s). The campsite user(s) agrees, confirms and acknowledges that he/she is solely and exclusively liable for any and all claims and liability, and that the campsite users(s) agree to defend and indemnify the City of Mountain Iron and hold the City of Mountain Iron harmless from any such claims or liabilities. Consumption of alcoholic beverages in other parts of the campground is prohibited, unless said consumption is in conjunction with an event at the pavilion.
7. Children are the responsibility of their parents/guardians. Please observe quiet times and realize it is very difficult for motorists to see children on bikes at night. Do not leave the children unsupervised.
8. Pets are the responsibility of their owners, and must be leashed and under the Owner's control at all times. Please pick up droppings from your pet!
9. This campground is a beautiful place - maintain your campsite, picnic area, or recreational area in a clean, orderly, and sanitary condition at all times. Deposit all garbage, refuse, and debris in the trash containers provided. Help keep the area CLEAN.
10. Fires are limited to fire rings and fireplaces provided in campsite or picnic areas. Remember, fire rings and fireplaces are not trash receptacles. Please dispose of trash in the refuse dumpsters located throughout the park.
11. A picnic table is provided for each campsite; if you need another table, see the Caretaker. If picnic tables are moved from one site to another, please have the consideration to return the table to its original location before you leave.

12. No one under the age of 18 shall camp overnight unless accompanied by their guardian.

13. It is unlawful for any person to possess explosives of any kind. It is also against the law for any person to possess a firearm (including an air gun) unless the firearm is unloaded and completely contained in a fully enclosed gun case or unloaded and contained in the closed trunk of a vehicle. A person who is legally permitted under MS 624.714 to carry a handgun in the State of Minnesota, may legally carry that handgun.

14. For the safety of swimmers, fishing is not permitted in the beach area.

15. Observe all signs in the campground, especially the 10-mile per hour speed limit and other traffic signs. Many people walk along the roadways and children playing often do not watch for approaching vehicles. Please drive carefully and be observant.

16. Operation of ATV's in the park will be solely for the purpose of entering and exiting the campground on the road. Please stay off the grass and walking trails. Dirt bikes are not allowed to be ridden in the campground at any time.

17. This is a family campground - disorderly conduct ruins the outdoor experience for others and will NOT be tolerated! Disorderly conduct is defined as ANY action that causes a disruption in campground activity and/or a disturbance to other campers! This includes the use of fireworks, since the use of all types of fireworks on public property is illegal in the State of Minnesota. Violators will be reported to law enforcement, possibly resulting in immediate eviction. (NO REFUNDS)

18. It is illegal to remove any object or property from the park, or to destroy, mutilate or deface any property within the park, or to cut any tree or peel the bark off any tree. Violators will be reported to law enforcement, resulting in immediate eviction and suspension of future camping privileges. (NO REFUNDS)

19. The showers are provided for registered guests only. Please clean up after yourself and remove all personal items from the area after use. We are not responsible for any lost or stolen items. At no time is washing of dishes in the sinks of the restrooms allowed.

20. The City of Mountain Iron is not responsible for storm damage, camper accidents, theft or negligence of the other campers.

We hope you enjoy your stay!

The City of Mountain Iron
