## MINUTES MOUNTAIN IRON CITY COUNCIL December 3, 2018

Mayor Skalko called the City Council meeting to order at 6:30p.m. with the following members present: Councilor Alan Stanaway, Sue Tuomela, Steve Skogman and Mayor Gary Skalko. Also present were: Craig J. Wainio, City Administrator; Tim Satrang, Director of Public Works; Amanda Inmon, Municipal Services Secretary; Anna Amundson, Library Director/Special Events Director; Al Johnson, City Engineer; and SGT John Backman, Sheriff's Department. Absent: Councilor Joe Prebeg Jr.

It was moved by Skalko and seconded Tuomela by that the consent agenda be approved as follows:

- 1. Approve the minutes of the November 19, 2018, regular meeting as submitted.
- 2. That the communications be accepted and placed on file and those requiring further action by the City Council be acted upon during their proper sequence on the agenda.
- 3. To acknowledge the receipts for the period November 16-30, totaling \$254,912.41 (a list is attached and made a part of these minutes).
- 4. To authorize the payments of the bills and payroll for the period November 16-30, totaling \$193,974.01 (a list is attached and made a part of these minutes).

The motion carried with Councilor Prebeg absent.

It was moved by Stanaway and seconded by Tuomela to recess the regular meeting and open the public hearing on the vacation of a portion of Eagle Ave. and Falcon Ave. the motion carried with Councilor Prebeg absent.

- > Ed Roskoski spoke in regards to the vacation of Eagle Ave and Falcon Ave, comparing the cost of establishing Housing additions, and thus vacating them for no price. Mr. Roskoski stated that the City should try to recoup some money lost, get something out of vacating property/parcels, not give them for free, negotiations should take place
- Mayor Skalko, housing additions, to make money you have to spend money, roughly \$9million tax base for the City with the Housing Additions, brings in new people, grow and develop
- Councilor Skogman stated that street assessments are assessed to property owner, as are water and sewer repairs (streets/sewers and water lines are part of property sold) the City is just giving up the right-of-way, no one spoke in regards to vacation during P&Z meeting
- Mr. Wainio commented that negotiating with US Steel is not negotiating with RGGs as Mr. Roskoski stated, as they are two separate entities. The City has negotiated other land sale deals in the past for land or cash, however right-of-ways are a different concept

It was moved by Stanaway and seconded by Tuomela to recess the public hearing on vacation of a portion of Eagle Ave. and Falcon Ave and resume the regular meeting. The motion carried with Councilor Prebeg absent.

#### Public Forum:

- Ed Roskoski commented that a couple of the City Council minutes, lacked the voting preference of the Council during a roll call vote
  - o In meeting in Washington D.C. all votes are recorded, the County, Cities, and School Board meetings are supposed to record who votes yes or no

Minutes - City Council December 3, 2018 Page 2

O States votes are being recorded without actually stating who said yes or no, believes in his opinion that is should be there, could of been a mistake, maybe when you go "plucky, plucky" something gets mistyped, votes should be recorded for posterity

**Dear Mountain Iron Community Official:** 

The purpose of this letter is to inform you that, on or about January 1, 2019, Mediacom will be implementing the following rate adjustments:<sup>1</sup>

Product:	Old Rate:	New Rate:	Net Change:
Local Broadcast Station Surcharge <sup>2</sup>	\$12.61	\$14.61	\$2.00
Regional Sports Surcharge	\$4.68	\$4.88	\$0.20
Family TV	\$77.49	\$79.49	\$2.00
Prime TV	\$93.49	\$95.49	\$2.00

The decision to make price adjustments is always a difficult one. We are very reluctant to raise video prices because, when we do, we lose subscribers. However, cable and satellite companies are constantly being pressured by the programmers we buy from to pay more for the channels we carry.

The fees we pay to retransmit local broadcast stations like ABC, CBS, FOX and NBC are by far our fastest growing programming cost component. All told, the fees charged by broadcasters, according to SNL Kagan, grew from \$800 million to \$10 billion annually or 1150% between 2009 and 2018.

The problems with sports programming is equally as alarming. One look at the skyrocketing rights fees announced with recent deals and it is easy to see that the marketplace for live televised sports is out of control. Broadcast networks and national and regional sports networks are shelling out billions of dollars for the rights to the NFL, NBA, MLB, NHL, the Olympic Games, World Cup and NCAA football and basketball. Unrestrained spending has become the hallmark of the sports programming business, and the American consumer, whether a sports fan or not, is left to pay the price.

In an effort to bring more transparency to the unjustified fee increases being taken by the owners of broadcast and sports television channels, Mediacom previously introduced a Local Broadcast Station Surcharge and a Regional Sports Surcharge. By identifying the cumulative fee increases being taken by these channel owners, we hope to draw the attention of consumers and their elected representatives to this rapidly escalating problem.

<sup>&</sup>lt;sup>†</sup> Depending on the terms of each customer's promotional package, these rate changes may not impact a customer until their current promotional package expires

promotional package expires.

Mediacom bills monthly in advance. As a result, the increases for both the Local Broadcast Surcharge and Regional Sports Surcharge are based on our best estimate of the cost increases our company will incur for broadcast and regional sports programming. Mediacom will "true up" customer bills in a subsequent month if it turns out that our estimate was too high or too low.

Despite the challenges we face, Mediacom has continued to aggressively invest in the communities we serve. As part of a 3-year, \$1 billion capital investment plan that began in 2016, virtually all of the 3 million homes and businesses across Mediacom's 22 state footprint now have access to 1 Gig broadband speeds.

In addition, Mediacom has broadly launched a low-cost internet service for low-income customers featuring 10 Mbps download speeds for \$9.95 per month. The service, called Connect2Compete, is offered in partnership with EveryoneOn and is available to families with students participating in the National School Lunch Program. Additional information is available at <a href="https://www.mediacomc2c.com">www.mediacomc2c.com</a>.

Mediacom appreciates the opportunity to continue to serve your community's telecommunications needs. If you have any questions, please contact me directly at 507-837-4878 or tsunde@mediacomcc.com.

Sincerely,

Theresa Sunde

**RAMS Board of Directors, Alternates and Association Members:** 

The 2018 RAMS annual meeting & dinner will be held on Thursday, January 10, 2019 at the Mt. Iron Community Center (8586 Enterprise Drive South, Mt Iron). Registration and social hour begin at 5:00 pm. Dinner will be served at 6:00 pm. The only required business that we need to conduct is nomination and election of officers for the board of directors. This year, due to choices people made, we will be filling 15 vacancies on the board, not the usual 12. As a reminder, each local unit of government that has paid their dues is entitled to one vote, one ballot in the election of officers. Ballots will be provided at the registration table the night of the meeting.

This year we will hear from Dr. Noel Schmidt, current superintendent of ISD #706, Virginia Public Schools. Dr. Schmidt has toured schools and educational systems around the globe and brings a very unique perspective to what needs to be done to deliver a twenty first Century education right here on the Range. Members of the Range delegation should be in attendance and we have extended an invitation to Congressman Rick Nolan.

Please have one person from your city, township or school notify Lois to RSVP attendance. Lois can be reached at: <a href="mailto:rams@ramsmn.org">rams@ramsmn.org</a>. Deadline for the RSVP is December 28<sup>th</sup>. I look forward to seeing you at the annual meeting, if you have any questions please do not hesitate to contact me at: sgiorgi@ramsmn.org.

A MEETING NOTICE & AGENDA WILL BE SENT OUT PRIOR TO THE ANNUAL MEETING & DINNER.

Sincerely
